

Exhibitors' Technical Manual

Dear Exhibitor,

This Exhibitor Technical Manual contains important information designed to assist you in preparing for the **INS 2026** Exhibition.

The Exhibition will be held in conjunction with the **17th World Congress of the International Neuromodulation Society (INS 2026)** which will take place **on 9-14 May 2026 in Lisbon, Portugal.**

The exhibition floor plan has been designed to maximize the exhibitor's exposure to the delegates.

Please read all the information in this manual. It will take you very little time now and could save you a great deal of time later.

Please forward this manual to everyone who is working on this project, including your stand builder, as it contains useful information about the Congress.

We look forward to welcoming you in **Lisbon** and wish you a successful congress and exhibition!

For further support, please don't hesitate to contact us:

Wednesday, 13 May	Dismantling 17:30–23:00

**Subject to a change*

- Please note that the INS 2026 Exhibition is open until 13 May. On 14 May the Exhibition is closed.
- The timetable is subject to possible changes in accordance to the [Scientific Program](#). Updates to follow up in due time.
- Dismantling of the stands before the official hour is not permitted.
- All shell scheme booths are required to be on time for dismantling from the hour that it is written that it starts, so that they can pack their materials and after that the official builder is being able to dismantle their booth.
- All exhibitors should be in their Booth 30 minutes before the official opening hour.

Set-up and Dismantling Notes

- Empty crates and packaging material must be removed after set-up and no later than **Sunday, 10 May at 15:30.**
- Between 15:30 and 17:00 only final decoration is allowed within the parameters of the booth.
- All aisles must be clear of exhibits and packaging materials to enable cleaning at all times.
- **SAFETY SHOES ARE A “MUST”** during set-up dates: **09 and 10 May** (also for Shell Scheme exhibitors!) and **during dismantling on 13 May.** Access to the exhibition hall will **NOT** be allowed without safety shoes.
- Safety Shoes are always compulsory when: design stand builders are working on the space; construction materials are on the aisles; machinery (forklifts, cherry pickers are on the space).
- No Safety Shoes are compulsory when: aisles are empty (no construction material); main set up doors are closed, and no more machinery will be on the space (only transpalets allowed); during this time stand builder can be working inside the booth; this time is for exhibitors to start decorating their booths.
- **Dismantling** of the booths **before the official closing of the exhibition is not permitted.**
- **Waste removal:** It is the exhibitor’s responsibility to dispose of all materials after dismantling.
- **Shell Scheme booths ->** any equipment, display aid or other material left behind after

Wednesday, 13 May 2026 at 19:30 will be considered discarded and abandoned.

- **‘Space Only’ booths** -> any equipment, display aid or other material left behind after **Wednesday, 13 May 2026 at 23:30** will be considered discarded and abandoned.
- Any charges incurred for waste removal will be sent to the exhibitor.

During Event Notes

- Please note that all exhibitors should be in their booth **30 minutes** before the official opening hour.
- Please note that **attendees might be passing through the Exhibition area on their way to the halls, poster area, and seating areas, even when the Exhibition is closed.** Therefore, please do not leave any visible valuable items at your booth. Additionally, we recommend considering extra security for your booth outside of Exhibition Operating Hours. Security Services Order Form is available in **Tab: Booth Services**.
- Therefore, please do not leave any visible valuable articles at your booth. In addition, please consider hiring extra security for your booth after Exhibition Operating Hours.

INS Opening Reception & ‘Welcome’ at The Exhibition Area

On **Sunday, 10 May** you are cordially invited to the **INS Opening Reception & ‘Welcome’**, which will take place in the **Exhibition Hall** (Pavilion 2) from **17:30 to 19:00**. Exhibitors are asked to please man their booths during the Opening Reception in the Exhibition Hall.

The floor plan has been designed to maximize the exhibitor’s exposure to the delegates.

List of Exhibitors

Please see all exhibitors listed here: <https://ins-congress.com/confirmed-exhibitors-supporters/>

Access to the Exhibition Hall during Set-up and Dismantling

Everyone must be fully registered to enter the exhibition hall during set-up and dismantling periods.

For this reason, stand builders/contractors/exhibitors must register in advance all of the personnel that are required to be on-site during set-up and dismantling periods.

The following information should be submitted to the Exhibition Managers, by email, no later than **Friday, 3 April 2026** to dyosifova@kenes.com.

Full name

Passport numbers

Name of the exhibit company

Name of the contractor/stand builder

Booth number

The **Kenes group** will provide visible identification, valid only for set-up or dismantling.

[Click here](#) to download the template, please fill only the green columns.

It is not necessary for persons with an Exhibitor Badge to additionally issue a set-up and dismantling pass.

Make sure to pre-register all personnel in order to avoid delays once you arrive on-site.

- Each exhibiting company is entitled to free exhibitor badges. The amount of free exhibitor badges is stated in your contract, and determined by your booth size.
Two exhibitor badges will be given for the first 9 sqm booked, and one additional badge for each 9 sqm thereafter.
- **The exhibitor badges allow access to the Exhibition area and to the INS Opening Reception & 'Welcome'.**
- Exhibitor badges will be personalized i.e. they will include the name of the badge holder as well as the country and company name.
- **Please submit the list of individual names via the Exhibitors Portal no later than 18 April 2026.**
- Exhibitor badge holders are **not** eligible for CME/CPD credits and will *not* be listed in the list of participants (if applicable).
- **Exhibitor badges can be collected on-site. Please note that badges will not be mailed in advance.**
- Additional **exhibitor badges** may be purchased online through the Exhibitor's Portal, at the rate of **EUR 650** per badge.

Companies may purchase a maximum number of exhibitor badges as follows:

Booths of up to 60sqm – 15 exhibitor badges

Booths larger than 60sqm – 25 exhibitor badges

Notes:

- Deadline for ordering additional exhibitor badges via the Exhibitor Portal: **18 April 2026.**
Link to access the Portal <https://exhibitorportal.kenes.com>
- Please make sure that your company profile has been submitted via the Exhibitor's Portal *before* placing an order.
- All company representatives are required to wear exhibitor badges to access the Exhibition. Company representatives not wearing their badges will not be allowed to access the Exhibition. Exhibitor badges are for the use of company personnel manning the booth and should not be used to bring visitors to the Exhibition.

For any enquiries related to registration, please contact the Registration team by e-mail at: reg_ins26@kenes.com

“K-Lead” Application - Barcode Scanner Application

Lead Retrieval Wireless Barcode Readers can be a helpful tool for receiving contact information about participants who attend your symposium.

We are pleased to offer you the K-Lead Application. Supporters can download the K-Lead app onto *their own* smart phone or tablet and transform their device into an instant, easy lead retrieval system and capture participants' contact information with a quick scan of their badge.

Advantages of the **K-Lead application**:

- **Seamless Integration:** Download directly to your device; no extra hardware needed!
- **Effortless Scanning:** Quickly scan attendee badges to capture leads.
- **Customizable Notes:** Add personal comments to each lead for better follow-up.
- **“Quick Scan” Function:** Ability to quickly scan delegates as they enter the symposium hall.
- **Instant Access:** Get real-time lead information for immediate engagement.
- **Universal Compatibility:** Download from the **Apple Store** or **Google Play** using “Kenes K-Lead App.

Cost per unit: 750 USD (excluding 4% credit card charges fees, excluding VAT if applicable).

Device is NOT included!

Deadline: Friday, 24 April 2026

Onsite rate of 850 USD will be applied for order received after above deadline.

Unlock the Power of K-Lead Plus:

- **Automated Follow-up Emails:** Immediately after scanning, send personalized emails to every lead. Make every connection count without lifting a finger!
- **Tailored Email Customization:** Craft the perfect message with customizable subject lines,

email content, and signatures. Attach PDFs to add a polished, personal touch that stands out.

- **Timely Engagement:** Say goodbye to the hassle of manual follow-ups. K-Lead Plus handles it by sending tailored emails right after each scan, keeping your brand top of mind.
- **Trackable Insights:** Monitor how your emails perform with engagement metrics. Learn what works and refine your strategies for maximum impact, ensuring you're always improving.
- **Compatibility:** K-Lead Plus requires at least one K-Lead license purchased.

Cost for K-Lead Plus: 350 USD

Key Notes for K-Lead and K-Lead Plus:

- **Device Not Included:** The application must be installed on your personal or company device (tablet/smartphone).
- **Reliable Data:** Participant badge barcodes carry contact details as provided by registrants or their agencies. Note: Group registration may contain generalized information.
- **Content Responsibility:** Information content is managed by the registrant or their agency, not Kenes Group or the Organizing Committee.
- **Easy Reservation:** Secure your Wireless Barcode Reader in the Exhibitor's Portal <https://exhibitorportal.kenes.com>.
- **GDPR Compliance:** We've updated our [privacy policy](#) in compliance with GDPR. Your personal data won't be shared without consent. Presenting your badge for scanning implies consent to share your details.
- By purchasing the K-Lead and K-Lead Plus, Exhibitors and Sponsors agree to [Data Processing Agreement](#).

How to order K-Lead and K-Lead Plus? -> These services are available to purchase from the Exhibitor's Portal <https://exhibitorportal.kenes.com>

API Integration

Do you want to use your own scanning device or app? Need real-time API integration?

We're excited to introduce our new API-sharing service that seamlessly integrates delegate data from our events directly into your CRM. No more manual data entry—just instant, secure, and accurate lead transfer.

How it works:

Instant API Access – Scan delegate badges using your own app and retrieve full attendee details.

Real-Time Sync – Automatically update your CRM.

CRM Compatibility – Integrates with major CRM systems like Salesforce, HubSpot, and Microsoft Dynamics.

Data Accuracy - Ensure accurate, up-to-date delegate info, reducing manual entry errors.

Custom Mapping - Adapt data fields to fit your CRM's structure.

Secure & Compliant - Advanced encryption ensures data protection.

Analytics & Reporting - Gain insights on leads and engagement.

If you are interested in the API Integration service, please contact the Industry Coordinator at dyosifova@kenes.com for more information.

The Exhibition will be held in Pavilion 2 (Rio Pavilion / Pavilhão do Rio), located on the Ground level. Kindly note that the hall name as will be displayed in all publications as well as onsite signage will be **"Exhibition Area"**.

For **virtual tour** of Pavilion 2 click [HERE](#).

For **technical specifications** of Pavilion 2 click [HERE](#).

Please note that the balcony and stairs will be accessible to delegates, and the top elements of the booths will be visible from above.

Therefore, please ensure that all top surfaces are neatly finished and covered.

Build-Up Height

- The **maximum** building height for the **top** of all elements is **5 meters** (including hanging banners)
- **Important note:** the ceiling bellow the gallery has a maximum construction height of **2.5 meters** (Booths 09-19, 28 and 37-47)
- Shell scheme booths build up height is **2.5 meters**

Exhibitors with booths higher than the maximum permitted height will not be allowed to set-up their booths.

Kindly note:

- **Any part facing adjacent booths that is above 2.5m in height (back-to-back wall) needs to be designed with neutral tones (preferably white). The back walls (reverse side) of any booth that is adjacent to another booth - over 2.5m in height - must be nicely finished, free of exposed wiring, graphics, or logos, to maintain a clean and professional appearance.**
- Structures installed for specific events, exhibition stands including installations, special structures and exhibits as well as advertising displays must be sufficiently stable that they do not pose a threat to public safety and order and, in particular, that they do not endanger life

and health.

- **Exhibitors / customers are responsible for ensuring the load-bearing capacity and stability of such structures and may be required to furnish the relevant proof.**

Floor

Floor type: **Granite.**

Maximum floor load: 2.000kg/sqm

Power supplies and other utilities, such as internet cables, are typically distributed to booths via the floor. However, it is crucial to verify this with us in advance, as these may vary depending on the specific booth location and your unique requirements.

◆◆ Important ◆◆:

- Exhibitors are required to have floor cover or carpeted floor within their booth space (note that shell scheme booths already come with carpet).
- All floor coverings must be secured and maintained so that they do not cause any hazard.
- The application of carpet to the Pavilion floor must be carried out using non-abrasive materials, in order to avoid damage to the Pavilion flooring.
- Fixing the floor covering to the hall floor may only be possible if the exhibitor/builder's use approved tape.
- Exhibitors and stand builders are responsible for ensuring that the exhibition floor is left in the same condition it was found in. Any damage or soiling that cannot be removed during routine cleaning will be charged to the exhibitor or stand builder.
- Mechanical damage or soiling which cannot be removed during the normal cleaning and maintenance of the floor will be repaired at the expense of the person/company causing the damage.

Raised Floor/Platform

The organizers and the Venue must be informed if the booth has a platform (when submitting the drawings for approval), as well as the scheduled set-up (day and time). Without this information the Venue/ Official Contractor will not be able to provide the requested service(s) and the prepayment will not be refunded. Before placing the platform, the exhibitor/stand builder must confirm that service(s) provided by the Official Contractor (electricity, water, cables, Internet, etc.) are in the right place. Access to the service points/water tramp/electricity tramp are compulsory when a platform is installed (keep those points accessible). Once the platform is installed, no new services that need to go under it will be accepted.

Please note that if your booth has a platform/raised floor, you are required to provide either a

ramp* or sloped edging around the entire booth** to ensure access for people with disabilities. The platform sides must be closed and finished neatly. The platform **edges must be safe, secured and easily visible** to avoid trip hazard.

Specifications about the ramp: for all raised floors above 5 cm in height, we require that a ramp be included within the exhibitor's own area, with a minimum width of 0.90 m and a maximum incline of 8 degrees.

*For your reference, see below an image showing a ramp:

**For your reference, see below an image showing sloped edging around the entire booth:

Ceiling Rigging

Ceiling hanging is permitted.

Ceiling Hangings

- The **maximum** building height for the **top** of all elements, **including hanging banners**, is **5 meters**
- Lighting trusses maximum height: 7.5 m

- All rigging must be executed by AVK, the venue's designated rigging partner. AVK/CCL must approve any rigging request.
- Please send your rigging plan **no later than Thursday, 09 April**.
- Rigging order form can be found [HERE](#).

Shell Scheme Booths

To ensure a smooth and efficient installation and dismantling process of your booth, **LISBOA-FCE** has been appointed as the **official stand contractor** for the INS 2026 Congress.

Fascia Sign

Maximum of **21 characters** (including spaces) may be written on your fascia (applicable for a 9 sqm booths).

Please submit lettering for fascia via the [Exhibitor's Portal](#) by **Friday, 03 April**.

If text for your fascia is not received by above deadline, we will provide you with a fascia title as per your application form.

The standard fascia lettering is black and white. If you would like to print your company logo on the fascia board, in place of or in addition to your company name, or have custom graphics printed on the fascia board, this can be ordered at an additional cost through LISBOA-FCE , the official stand contractor, until Thursday, 09 April. Click [HERE](#) to access the corresponding order form.

Important Guidelines for Shell Scheme Booths

All basic shell scheme booths will be designed and built by LISBOA-FCE – the official stand contractor.

Exhibitors are not allowed to make any alterations to the structure of the booths or remove any integral parts from the booths. Exhibitors wishing to remove or change the location of any standard equipment within the shell scheme booth should indicate clearly on the location plan and forward it together with clear instructions to the official stand contractor and the Exhibition Manager before **Monday, January 22**.

No free-standing stand-fitting or display(s) may exceed a height of **2.5m** or extend beyond the boundaries of your booth. This includes company names, advertising materials, flags and logos provided by the exhibitor.

It is not allowed under any circumstances to cut, nail or drill into or through the walls, fascia, floor or ceiling.

Please do not use any adhesive products that may leave marks or cause damage to the panels and booth structure. **Booth must be returned in the same condition in which it was received. Any damage to booth structure will be invoiced to the exhibitor.**

No painting is allowed; no usage of nails or screws.

Double-sided tape may be used to affix lightweight items, provided it does not leave marks or cause damage to the panels or booth structure. Velcro (male and female) may also be used.

Please note that Velcro is only permitted if painter's tape is applied to the surface before attaching the Velcro.

It is possible to use fishing line (nylon) to hang pictures etc.

Note: **Corner shell scheme booths** are provided with **two open sides** and 2 fascia boards

with company name. An exhibitor occupying a **booth at the corner** can request to close the additional side(s). If the official stand contractor and the Exhibition Manager is not being notified in writing **before Thursday, 09 April** - it will be assumed that the exhibitor will have opening on the additional side(s).

A back wall of a booth (any booth type) cannot be used by other exhibitors.

The shell scheme comes with dark blue carpet. If the exhibitor wishes to have a carpet in a different color, an additional fee will be required. Please contact the official stand contractor for more information.

Excess stock, literature or packing cases may not be stored on, around or behind booths, unless contained within a lockable storeroom.

Electrical switchboards have to be reachable and the Exhibitor has to switch off the booth lights at the end of the day.

Exhibitors requiring additional equipment may visit the order form and catalogs or contact the official stand contractor - as per published deadlines (see the "*Deadlines & Key dates*" and "Booth Services" sections for more information).

Exhibitors using independent contractors are required to submit the following for the organizer approval:

1. **A scaled drawing (scaled 1:200 DWG), including elevation views of the proposed booth to be built.**
2. **Position of your booth on the floorplan with orientation**
3. **Utility connections: electrical, water and drainage - a list of all appliances**
4. **The name and contact details of the construction company.**

Please submit the files through the Kenes Exhibitor's Portal: <https://exhibitorportal.kenes.com>

Each exhibitor will be contacted with login details to access the Exhibitor's Portal.

Deadline: Friday, 03 April 2026

Construction Notes:

- All exhibits are to be displayed to avoid blocking aisles, obstructing adjoining stands, or damaging the premises.
- Exhibitors are kindly requested to **allow sufficient see-through areas** that ensure clear views of surrounding exhibits. **Entire side-way walls will not be approved.** You are only allowed to build walls that covers third of each side.

- **Island booths** should be partly accessible on all “open” sides. We try to keep the exhibition as open and inviting as possible. Wall construction alongside aisle is allowed but max 1/3 of side to side may be covered.
- Construction finish must be perfect in all the stand’s visible areas, including rear sides and top elements.
- Advertising on the boundary with other stands is prohibited.
- **Multilevel** structures are **not permitted**.
- Arches, bridges, or similar constructions connecting two or more Booths are not permitted.
- The **maximum building height** for the top of all elements is **5 meters**.
- Structures installed for specific events, exhibition stands including installations, special structures and exhibits as well as advertising displays must be sufficiently stable that they do not pose a threat to public safety and order and that they do not endanger life and health.
- Exhibitors / customers are responsible for ensuring the load-bearing capacity and stability of such structures and may be required to furnish the relevant proof.
- Any part facing neighboring stands that is above 2.50 m in height needs to be designed with neutral surfaces (white or grey).
- **Special care must be taken to ensure that the visitors will be inside the booth and not standing in the aisle.** For example:
 - Screens or any kind of equipment to be shown or demonstrated may not be placed directly on the edge of the stand contracted in order to ensure that the visitor viewing the screens/equipment will be inside the booth and not blocking aisle traffic.
 - Any counter, desk etc. or device (i-pads, touch screens etc.) which attract visitors may not be placed immediately at the borders of the booth facing the aisles (there should be a reasonable distance from the edge of the booth)
 - Coffee bars or other F&B-stations must be inside the booth area to ensure that the visitors are standing and queuing up inside the booth area and not standing in the aisle.

Kindly note:

- The organizers will not approve booths that do not comply with the accepted standards until the necessary changes have been made.
- Work cannot commence until the booth drawings are approved by the organizers.
- The used spaces must be returned to the CCL completely clear of all items and the Exhibition areas restored to their original state.
- We recommend Exhibitors using independent booth contractors to include a site visit in the planning process to assure a smooth and well planned set up. Please contact the Exhibition Manager at [djsoifova@kenes.com](mailto:djosifova@kenes.com) to coordinate a visit.

Raised Floor/Platform

The organizers and the Venue must be informed if the booth has a platform (when submitting the drawings for approval), as well as the scheduled set-up (day and time). Without this information the Venue/ Official Contractor will not be able to provide the requested service(s) and the prepayment

will not be refunded. Before placing the platform, the exhibitor/stand builder must confirm that service(s) provide by the Official Contractor (electricity, water, cables, Internet, etc.) are in the right place. Access to the service points/water tramp/electricity tramp are compulsory when a platform is installed (keep those points accessible!). Once the platform is installed, no new services that need to go under it will be accepted.

Please note that if your booth has a platform/raised floor, you are required to provide either a ramp* or sloped edging around the entire booth** to ensure access for people with disabilities. The platform sides must be closed and finished neatly. The platform **edges must be safe, secured and easily visible** to avoid trip hazard.

Available electrical power to be used is 230/400 Volts – 50cycles and is provided according to the conditions predicted by EDP (Electricity of Portugal). In case of fault or cut by EDP, electricity will only be provided for emergency exits (i.e. the electrical circuits that are used for exhibitions will be shut down to conserve power and prevent any potential hazards).

All electrical set up must be approved by CCL and the links to the general mains can only be made by same services. CCL will not be responsible for connecting to the mains apparatus that do not correspond to the information provided. The exhibitors must name the person responsible for the stand's electric installation project.

It is essential that exhibitor order the power needed in the stand. **The exhibitor is responsible for calculating the power necessary for the elements to be connected, together with the request for the necessary voltage. Damage caused to the main or to specific points by these connections is the sole responsibility of the exhibitors.**

Damage caused to the mains or to the specific point by these connections is the sole responsibility of the exhibitors/stand builders.

Power supply to the exhibits will be switched off after the exhibition closes every evening. Exhibitors who require 24 hours electricity supply should contact the CCL.

In the event of damage or faults to an electrical connection or installation, the exhibitor must immediately contact the organiser and/or venue representatives.

The venue reserves the right to at any time inspect connected equipment. Should the equipment fail to meet the applicable safety regulations, the venue reserves the right to immediately disconnect such equipment with no right of recourse or compensation for the exhibitor.

Internet & Wi-Fi

Complimentary Wi-Fi will be provided by the conference during official conference days at most areas. This public Wi-Fi connection is limited for basic web browsing or checking e-mails.

Should you have any **internet-based features, devices, or activities at your booth** (for example: product demonstrations), we strongly recommend ordering a dedicated internet connection for your booth (wireless or wired connection) to guarantee a consistent internet connection inclusive of technical support.

Wired internet and Wi-Fi connection may be ordered *exclusively* through Kenes.

Please contact the Exhibition Manager Diyana Yosifova at dyosifova@kenes.com.

Important:

Creating your own private Wi-Fi network is not permitted

The venue and the organiser reserve the rights to discontinue any activity which interfere with the hall Wi-Fi coverage.

Note **regarding** technical support: we will ensure that the service you purchased is functioning as it should, however we cannot troubleshoot or repair issues with client-provided

equipment.

Exhibitors must notify the CCL if they intend to install a raised floor or platform as internet access is mostly provided through floor-based cabling. Raised floor or platform installation must be scheduled after the completion of relevant cabling work. Access point(s) must remain unobstructed and accessible throughout the installation process and beyond. Once the raised floor or platform is in place, no new service installations underneath it will be permitted.

The exhibitor is responsible for following legal, ethical, moral and generally accepted internet and e-mail conduct when communicating across the conference's network. The venue reserves the right to disconnect and/or limit a user's right to or use of the network if rules and conditions are not respected.

Security

Please do not leave any bags, boxes, suitcases, or any type of product unattended at any time, whether inside or outside the exhibition area.

Neither the **CCL** nor the organizers can accept responsibility for the security of the stands and their contents. The **CCL** as well as the organizers are not liable for any possible loss, theft and/or damage occurred during the rental period of any private property or goods. Exhibitors are fully responsible for the security of their stand and equipment.

Individual stand security may be ordered directly with the CCL.

If you wish to hire security for your stand, this can be done via the **Exhibitor Order Form** - click [HERE](#).

Storage

The **CCL** has no storage facilities. Short-term storage of materials left over after assembly (empty boxes, crates, cases, palettes etc.) should be coordinated with Merkur team (payable service).

Under no circumstances may packed materials of any kind be left in the aisles, on the stands, around or behind the stands.

Please contact Merkur with information on sizes and number of parcels, size, and storage period. E-mail: patricia.zintel@merkur-expo.com

Shipments sent directly to the venue prior to the set-up period will be refused by the venue.

Once the event & dismantling are over, the CCL shall not be held responsible for the safekeeping and/or storage of any items left in the building. If the CCL takes care of the removal of these items,

it will be charged to the exhibitor.

IMPORTANT: Venue Rules & Regulations

Please read thoroughly the venue's rules and regulations – click [HERE](#).

Please note that these regulations are in addition to the exhibition Rules and Regulations listed below.

Exhibitors must comply with **CCL** rules and regulations including operation, fire safety, construction and other security regulations.

These rules and regulations are contractually binding and must be adhered to by all Organizers, exhibitors, and their contractors, including exhibition service providers and stand construction companies engaged to execute work on-site.

Animals

It is not permitted to bring animals into the venue.

Build-Up & Dismantling Period

During the period of build-up and dismantling, it is prohibited to consume **alcoholic beverages** in the working area as well as to perform work under the influence of alcohol and drugs.

The Exhibitors and contractors are required to wear the necessary personal **protective equipment** such as safety footwear, protective helmets, eye protection, and hand protection required by the specific work activity.

The use of cutting machines, welding machines, sanders and spray guns is strictly forbidden.

Children

No person under the age of 18 years can be admitted to the Exhibition, either during build-up, opening days or breakdown. This rule also applies to Exhibitors' children and must be strictly enforced to comply with the safety regulations of the exhibition.

Compressed Gases

Use of compressed gases is not allowed.

Damage to the Building

Exhibitors are liable for all damage caused to floors, walls, and pillars during the installation,

Exhibition, and dismantling periods. No adhesive stickers and fixtures of any kind are allowed on floors, walls, and pillars.

Disposal of Material

It is obligatory to collect and dispose of all material during the build-up or dismantling of the event.

When the dismantling period is over, the exhibitor loses any right to claim losses or damage to property left behind. Any costs incurred by the venue in removing this property will be charged to the exhibitor.

Fire Regulations

Stand material and fittings must be non-flammable or impregnated treated with fire-retardant chemicals.

As a general rule, easily inflammable synthetic substances, foam polyester, and non-fireproof straw and reeds are prohibited.

Exhibitors are prohibited from covering displays with drop cloths, sheets, table cloths or other non-flame resistant material.

Fire Insurance (compulsory)

Exhibitors must be insured against fire.

Health & Safety

It is the responsibility of the stand holder to ensure the health, safety and welfare of all employees, contractors and visitors as far as is reasonably practicable throughout the event.

It is recommended that the stand holders appoint a supervisor for the stand, with the specific responsibility for ensuring the health & safety of their staff and stand builders. It is advisable that a Risk Assessment is completed for the stand and submitted to the organisers.

Hanging of Posters, Banners etc.

Hanging of posters, banners or decals, stickers or similar items, on the walls, floors, ceilings, or pillars within or outside the installations of the venue are not allowed without a prior written authorisation.

Insurance (compulsory)

Exhibitors are required to take out appropriate Insurance. Third part liability insurance is obligatory. It remains the Exhibitors full responsibility to insure themselves appropriately. Neither the organisers nor the venue, their representatives or agents will be held responsible for any loss or damage to exhibitor's property. Exhibitors must take precautions to protect their property against pilferage.

The organisers do not provide insurance for exhibitors and their property. The exhibitor is responsible for his property and person and for the property and persons of his employees through full and comprehensive insurance and shall hold harmless the organisers for any and all damage claims arising from theft and those perils usually covered by a fire and extended-coverage policy. Therefore, you are obliged to have a **public liability insurance** that covers all injuries to persons and damages that might cover in connection with the exhibition.

Exhibitors are personally liable for all expenses incurred by the organisers or by third parties in regard to technical services provide.

We also recommend that you have additional coverage against loss or damage to exhibition material during transport and during exhibition times. Please make arrangements for insurance coverage through your company's insurer.

Companies involved in assembling and decoration of stands are required to have a previous credential, which implies the presentation of an insurance policy for civil and professional liability, covering damage caused in the premises or to a third party and possible damage due to stoppage of CCL's activities, in the amount of 1.000.000,00 EU.

Liability

Exhibitors are responsible for all property damage as well as any loss or injury caused by their property, agents or employees. Companies will indemnify the organisers against all claims and expenses arising from any damages.

If for any reason whatsoever the Exhibition needs to be abandoned, postponed, or altered in any way, either in whole or part, or if the organisers find it necessary to change the dates of the Exhibition, the organisers shall not be liable for any expenditures, damages or loss incurred in connection with the Exhibition.

The organisers shall further not be liable for any loss which the Exhibition or Exhibition contractors may incur due to the intervention of any authority which prevents or restricts the use of the venue or any part thereof in any manner whatsoever.

Security

Safety and Security of Material. Please do not leave any bags, boxes or suitcases unattended at any time, whether inside or outside the exhibition area. The organisers and venue cannot accept liability for loss of or damage to private property or goods.

The organisers will provide security guard service in the exhibition hall during off-show hours. Neither The **venue** nor the organisers can accept responsibility for the security of the stands and their contents and for damage to, or theft of any goods. Exhibitors are fully responsible for the security of their stand and equipment.

Sound Equipment and Music

In general, the use of sound equipment/music in booths is permitted as long as the noise level does not disrupt the activities of neighbouring exhibitors.

Speakers and other sound devices should be positioned to direct sound inward (to be contained within the booth) rather than outward (toward aisles and other exhibitor booths).

It is difficult to establish decibel level restrictions. If an exhibitor or attendee is standing within ~3 meters of an exhibitor's booth and cannot carry on a normal voice-level conversation, the noise source is too loud.

Live music is not allowed.

The organisers reserve the right to require the exhibitor to discontinue any activity, noise, or music that is too loud

The organisers reserve the right to require the exhibitor to discontinue any activity, noise, or music that is deemed objectionable.

Exhibitors are reminded that third party copyrights should not be infringed. The organisers have no copyright responsibility in respect of any exhibiting company.

Proper dispensation must be obtained and any royalties due, paid prior to the use of materials.

Should any copyright dispute arise, the organisers will not be liable for any resulting loss or damages, sustained by any exhibitor or third party.

Promotional Activities

All demonstrations or instructional activities must be confined to the limits of the Exhibition booth.

Advertising material and signs may not be distributed or displayed outside the exhibitor's booth.

Advertising activities must not cause obstructions or disturbances in the aisles or at neighboring booths.

The Exhibition Manager reserves the right to require the exhibitor to discontinue any activity, noise, or music that is deemed objectionable.

Filming

Exhibitors may film within their own booth, capturing their own staff and materials. However, all equipment and camera crew must remain within the designated booth boundaries.

Filming of other exhibitors, their materials, Congress features, or any sessions is strictly prohibited without prior written permission from the organizer or the respective exhibitor.

Photography

Photography within booths is not permitted during exhibition setup/breakdown unless the photographer is officially hired by the exhibitor and ensures no neighboring booths are included in the pictures.

During exhibition opening hours, photography of all aspects of the event is generally allowed, except where the photographer or equipment would obstruct or endanger delegates or staff.

Smoking Policy

The venue operates a NO SMOKING policy in ALL halls.

Special Effects

Special effects lighting, live music, smoke and laser projection may not be used in the stands.

No permission will be given for projection in the aisles or on the walls of the hall.

Waste Removal

Exhibitors are responsible for the removal of all refuse/waste from the exhibition area.

Any discarded waste, including promotional material, left behind will be removed by the organisers at the expense of the exhibitor concerned.

Loading Bay

Access to the Loading Bay is from Rua da Junqueira 61a, 1300-343 Lisboa.

Please coordinate your arrival (unloading and loading) with the official logistic agent - **MERKUR Expo Logistics GmbH**. In order to maintain the smooth and efficient flow of traffic, exhibitors will be assigned designated unloading time slots.

Strict adherence to these time schedules and prompt removal of vehicles upon completion of unloading are essential to ensure seamless operations.

Parking in the loading bay is prohibited as the loading bay space is limited and designated exclusively for loading and unloading purposes.

For security, insurance, and efficiency reasons, Merkur Expo Logistics is the sole official agent to handle cargo inside the venue. Booth builders are prohibited from using trolleys during set-up and dismantling periods.

Kindly note that Merkur the official agent is the exclusive agent for move in and move out of the venue.
