

Dear Exhibitor,

This Exhibitor Technical Manual contains important information designed to assist you in preparing for the **INS 2024** Exhibition.

The Exhibition will be held in conjunction **the International Neuromodulation Society 16th World Congress (INS 2024)** which will take place **May 11 - 16, 2024** at the **Vancouver, Canada**.

The exhibition floor plan has been designed to maximize the exhibitor's exposure to the delegates.

Please read all the information in this manual. It will take you very little time now and could save you a great deal of time later.

Please forward this manual to everyone who is working on this project, including your stand builder, as it contains useful information about the Congress.

We look forward to welcoming you in **Vancouver** and wish you a successful congress and exhibition

Please make sure that your Company Profile has been submitted before placing an order for exhibitor badge.

Deadline: Thursday, 25th April

All personnel are required to wear badges to access the Exhibition. Company representatives not wearing their badges will not be allowed to access the Exhibition. Company name badges are for the use of company personnel for Booth manning purposes and should not be used by companies to bring visitors to the Exhibition. Exhibitor badges will not be mailed in advance and may be collected from the onsite registration desk

"K-Lead" Application - Barcode Scanner Application"

Lead Retrieval systems are a helpful tool for receiving participants' contact information when they visit your booth or attend your symposium. The information obtained by lead retrieval system enables Exhibitors and symposium to enhance their database by securing valuable leads for further marketing and communication.

HOW DOES IT WORK?

Exhibitors and supporters can download the "K-Lead" app onto their own smart phone or company tablet and transform their device into an instant, easy lead retrieval system and capture participants' full contact information with a quick scan of their badge (Exact operational guidelines will be shared in due course).

The advantages of the "K-Lead" application:

- Effortless process using registration badge barcode.
- Allows to immediately view the leads information.
- Ability to insert exhibitor's comments for each lead
- Ability to quickly scan delegates as they enter the session hall by using the "Quick Scan" function
- Application is available for download from Apple store or Google play: "K-Lead App".

COST

Cost per license – **650 USD** (excluding 4% credit card charges fees, excluding VAT if applicable)

Each exhibitor will be contacted with login details to access the Exhibitor’s Portal.

Monday, 01st April

- All exhibits are to be displayed to avoid blocking aisles, obstructing adjoining stands, or damaging the premises.
- Exhibitors are kindly requested to **allow sufficient see-through areas** that ensure clear views of surrounding exhibits. **Entire sideways walls will not be approved.** You are only allowed to build walls that covers third of each side.
- **Island booths** should be partly accessible on all “open” sides. We try to keep the exhibition as open and inviting as possible. Wall construction alongside aisle is allowed but max 1/3 of side to side may be covered.
- Construction finish must be perfect in all the stand’s visible areas, including rear sides.
- Raised Floor/Platform – please refer to section “Hall Specifications and Important Technical Information”
- Advertising on the boundary with other stands is prohibited.

- **Multilevel structures are not permitted.**
- Arches, bridges, or similar constructions connecting two or more Booths are not permitted.
- Screens or any kind of equipment to be shown or demonstrated may **not** be placed **directly on the edge** of the stand contracted in order to ensure that the visitor viewing the screens/equipment will be inside the booth and not blocking aisle traffic.
- Any counter, desk etc. or device (i-pads, touch screens etc.) which attract visitors may not be placed immediately at the borders of the booth facing the aisles (there should be a reasonable distance from the edge of the booth).
- **Coffee bars or other F&B-stations are not allowed due to Canadian Accreditation Criteria.**
- The maximum building height for the top of all elements is **5 m**.
- Structures installed for specific events, exhibition stands including installations, special structures and exhibits as well as advertising displays must be sufficiently stable that they do not pose a threat to public safety and order and that they do not endanger life and health.
- Exhibitors / customers are responsible for ensuring the load-bearing capacity and stability of such structures and may be required to furnish the relevant proof.
- Any part facing neighboring stands that is above **5m** in height needs to be designed with neutral surfaces (white or grey) with no exposed framing or structure and may not have any graphics or logos.
- **Ceiling Rigging is not permitted**

Kindly note:

- **The organizers will not approve booths that do not comply with the accepted standards until the necessary changes have been made.**
- **Work cannot commence until the booth drawings are approved by the organizers.**
- **The used spaces must be returned to the VCC completely clear of all items and the Exhibition areas restored to their original state.**
- **We recommend Exhibitors using independent booth contractors to include a site visit in the planning process to assure a smooth and well planned set up. Please contact Alana Magalhaes at the VCC (AMagalhaes@vancouverconventioncentre.com) to coordinate a visit.**

"Electricity and Electrical Installations for all booths

Electricity and Electrical Installations for all booths

According to the regulations, the electrical installations for the Exhibition will only be connected to the power supply after being checked and approved by the **VCC**.

VCC is the only company allowed to connect any kind of device directly to the main power sources.

Only **VCC** is authorized to provide the electrical switchboard for the power points. Thus, every exhibitor should order an electrical switchboard from the **VCC** and to pay for the electrical

consumption according to his power needs.

For ordering please refer to **VCC Canada** portal – please [click here](#).

- The **VCC** will check that the official electrical switchboard is not removed from the booth.
- Electrical switchboards provided by the venue cannot be manipulated, adjusted, or damaged. The cost of a damaged Electrical box will be charge to the company who has ordered it.
- **VCC** staff are authorized to unplug the whole booth electrical installation if they detected that it is not properly done, with a possible danger.

Please note the following:

- Electrical switchboard and/or various power outputs will be ALWAYS delivered on the booth floor. Exhibitor/Stand Builder must check how to place it inside the booth to be hidden and accessible.
- Electricity supply from the neighboring stand is not allowed!
- It is the exhibitor/stand builder/electrician responsibility to advise how to connect your box provided by the **VCC**.
- Only **VCC** can provide electricity from the electrical ducts on the floor.
- It is compulsory the use of plastic protector to hide electrical cables (at the exhibitors' expense).
- Electrical extensions ordered will be supplied next to the electrical box and the exhibitor/stand builder will have to place on the space they need them.

The VCC provides electric service in the Exhibition area during the official exhibition times only.

At the end of the day, we recommend switching off your main electrical sources in order to save energy and not to occur any accidents overnight.

At the end of the day Booth manager must check before leaving the venue that the booth spotlights are switched off for security and ecologic reasons. The **VCC** is not liable for any damages caused from this action.

In case that the stand builder brings their own electrical switchboard, (it has to be connected to the **VCC** switchboard) it is mandatory to indicate which power line goes to the booth lights, in order that the booth manager knows which switch/button has to be turned off at the end of the day.

In case that you need 24h electrical connection for some devices (excluding booth general light), a second electrical switchboard will have to be ordered. Booth manager will have to make sure the general lights are turned off.

Please note:

In Canada it is used the following types of electricity plugs: Type A & B

The ungrounded type A (NEMA 1-15) and the grounded type B (NEMA 5-15)

"Booth Services"

Booth Cleaning

The organizers will arrange for general cleaning of the exhibition premises prior to the opening of the exhibition and daily prior to opening thereafter (excluding exhibit booths and displays). For ordering daily stand cleaning, please refer to **VCC Canada portal**: [click here](#)

Exhibiting companies cannot clean the venue facilities surfaces to avoid damaging them.

Internet & Wi-Fi

If you wish to order internet or Wi-Fi for your stand, this can be done via **VCC portal** at: <https://congresmtl.com/en/services/client-portal/>.

Bell is the VCC Exclusive Telecom Provider.

For questions please contact -Alana Magalhaes amagalhaes@vancouverconventioncentre.com

Important:

Please be advised the Private Wi-Fi networks installations in the stand is not allowed.

The Venue and the organizers reserve the rights to discontinue any activity which interfere with the hall

Wi-Fi coverage.

The Venue and the organizers must be informed in advance when the stand has a platform as well as the scheduled set-up day and time due to internet foundation.

Complimentary Wi-Fi will be provided by the Congress during official Congress days in most areas.

This public Wi-Fi connection is limited for basic web browsing or checking emails.

Should you have any internet-based feature/device/activity at your stand (for example: product demonstrations), we strongly recommend ordering a dedicated internet connection for your stand (wireless or wired connection) to guarantee a consistent internet connection inclusive of technical support.

Note regarding technical support: we will ensure that the service you purchased is functioning as it should, however we cannot troubleshoot or repair issues with client-provided equipment.

Security

Please do not leave any bags, boxes, suitcases, or any type of product unattended at any time, whether inside or outside the exhibition area.

Neither the **VCC** nor the organizers can accept responsibility for the security of the stands and their contents. The **VCC** as well as the organizers are not liable for any possible loss, theft and/or damage occurred during the rental period of any private property or goods. Exhibitors are fully responsible for the security of their stand and equipment.

If you wish to hire security for your stand, this can be done via **VCC** portal at: <https://congresmtl.com/en/services/client-portal/>.

Booth Catering

Food & Beverages service is not allowed in the Exhibition Hall.

Important:

As indicated on **page 65, line 11.2.5** of the Code of Ethical Practices, it is strictly prohibited for companies to offer meals and refreshments at their displays.

This includes items such as coffee, cappuccino, smoothies, tea, water, candies, and any form of food, even in a self-service station.

In line with Section 10.1.3.2.3 of the Code, any gifts, offers, or enticements provided by a Member to encourage a Stakeholder's visit to a display are also deemed prohibited.

We understand the significance of adhering to these regulations, as they play a pivotal role in ensuring the integrity and ethical standards of our industry. To gain a comprehensive understanding of the stipulations, we encourage you to review the complete Code of Ethical Practices document, accessible via the following [link](#)

In case to have any other doubts about F&B please contact the organizers to avoid misunderstandings once the event started.

Hostesses & Temporary Staff Hire

Supporters who wish to order hostess services for their booth, are welcome to do so via the Levy Show Web shop- please [click here](#)

Waste Removal

If you wish to order waste removal for your stand, this can be done via **VCC** portal at: <https://congresmtl.com/en/services/client-portal/>.

Storage

The **VCC** has no storage facilities pre-congress. Short-term storage of materials left over after assembly (empty boxes, crates, cases, palletes etc.) should be coordinated with **Levy Show Services** (payable service).

Under no circumstances may packed materials of any kind be left in the aisles, in the stands, around or behind the stands.

Please contact the **Levy Show** with information on sizes and number of parcels, size, and storage period.

Shipments sent directly to the venue prior to the set-up period, will be refused by the venue.

Once the event & dismantling are over, the **VCC** shall not be held responsible for the safekeeping and/or storage of any items left in the building. If the **VCC** takes care of the removal of these items, it will be charged to the exhibitor.

For access to the goods/ lorry entrance/ Lifts:

Loading dock access:

East Truck Route:

During scheduled move-in and move-out hours, an Event Truck Route Entrance guard will be scheduled. When East Truck Route Access is not staffed, the access gate will be closed.

The East Truck Route is 16' wide (4.88 m) and has an incline of 3'6" (1.07 m) over a 35' (10.67 m) section, as well as an overhang with a clearance of 13'11" (4.24 m) at the access point to the exhibit halls. The incline will allow standard 40' (12.19 m) to 53' (16.15 m) trailers with a bottom clearance of at least 12" (30.48 cm) to enter the East Exhibit Halls. Low-bed trucks and other low riding vehicles may have difficulty clearing the ridge at the top of the East Truck Route incline. The calculation to determine whether a vehicle will have sufficient clearance over the East Truck Route incline is:

Maximum vehicle axle weights for the East Truck Route are:

Single axle single wheels – 28,000 lbs (12,700 kg) Single axle dual wheels – 36,000 lbs (16,329 kg) Tandem axle single wheels – 45,000 lbs (20,411 kg) Tandem axle dual wheels – 58,000 lbs (26,308 kg)

East Exhibit Hall Overhead Doors:

East Exhibit Halls A and C have limited drive-on access through roll-up doors for full-sized trailers.

PLEASE NOTE: East Exhibit Hall A is carpeted, and floor protection is required for any vehicle access via this space. At minimum, poly must be placed along the entire vehicle path.

Measurements of roll-up doors are as follows:

- East Exhibit Hall A: 19' (5.79 m) high, 17'6" (5.33 m) wide*
- East Exhibit Hall B: 14' (4.27 m) high, 16'8" (5.08 m) wide*
- East Exhibit Hall C: 14' (4.27 m) high, 28'6" (8.69 m) wide*

Maximum length of vehicles for drive-on access to exhibit halls is as follows:

- East Exhibit Hall A: 73.5' (22.41 m)
- East Exhibit Hall B: 30' (9.14 m)
- East Exhibit Hall C: 73.5' (22.41 m)

How to get to East Exhibit Halls through the East Truck Route:

1. Howe Street going up the ramp to our truck route towards exhibit hall overhead doors.

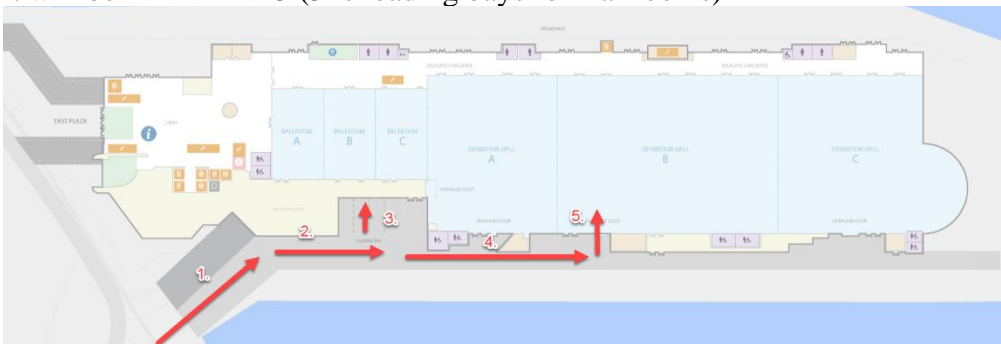

-
2. The ramp going down to the loading bays. (for ballrooms)

-
-
3. Continue straight for the overhead door for Exhibit Hall B

-
-
-
4. it will be 1 > 2 > 4 > 5 (3 is loading bays for Ballrooms)

Please note that Levy Show Services is the exclusive agent for move in and move out.

To ensure that traffic movement is as smooth and trouble free as possible, exhibitors will be allocated a time at which to unload.

It is imperative that unloading times are strictly adhered to and that vehicles are removed as soon as unloading is complete.

Parking during unloading is limited for short time only. All vehicles must be moved after unloading.

Parking space is available, Order forms for parking spaces will be updated with the current costs and sent through Shortly.

The delivery and removal of materials and goods for the exhibition stands is allowed only by Levy Show Services. 53' trailers will NOT be accommodated on the tradeshow floor. It is strongly recommended that you utilize Levy Show Service for all of your logistics requirements.

Important note: Companies bringing in their own goods should contact Levy Show to coordinate their arrival and the use of the loading bay, the service entrance and the lifts.

Entry procedure during set-up:

- **Upon arrival, please obtain a mandatory pass from the attendant at the loading dock.**
- **A maximum of 15 minutes is permitted to unload your vehicle.**
- **Any vehicles left at the loading dock for more than 15 minutes are subject to towing or applicable parking fees.**
- **To assist in transporting materials, blue trolleys are readily available at the loading dock.**

Exit procedure during dismantling:

- **Smaller vehicles have exclusive and priority access to the loading dock at the start of dismantle.**
- **Trucks with trailers, cube trucks and heavier vehicles will have access thereafter.**
- **The doors, between Level 2 (exhibit) and the loading dock will remain closed until all aisle carpeting is completely removed.**
- **Blue trolleys will be available from the loading dock once the doors are opened.**

- Empty boxes will be brought to booths by VCC personnel as promptly as possible, once the visitors have vacated the room and all aisle carpet is completely removed. Under no circumstances will exhibitors have direct access to storage facilities.
- A pass will be given to you by the attendant at the loading dock once all materials have been delivered to your booth. You must obtain this pass to have access to the loading dock with your vehicle.
- If your materials can be transported manually without the use of trolleys, it is possible to leave the premises via the exit doors or pedestrian access doors of the exhibit room.
- Blue trolleys or other heavy transport equipment are not permitted in the common or public areas of the VCC, including the public elevators and escalators.

Access for Deliveries

Please be advised that neither the Organizers nor the VCC can accept deliveries on an exhibitor's behalf and arrangements must be made for a stand/company representative to be available when deliveries are made.

Please refer to the Shipping Instructions for the deliveries information.

As a courtesy to the delegates and your fellow exhibitors, deliveries or the removal of any equipment to or from stands must be made 30 minutes before or after exhibition opening hours.

It is recommended that all contractors, drivers and exhibitors bring their own **2 wheel trolleys to transport goods to and from their stand.**

"Rules and Regulations - Binding for all exhibitors and their subcontractors"

Animals

It is not permitted to bring animals into the **VCC**.

Build-Up & Dismantling Period

- During the period of build-up and dismantling, it is prohibited to consume **alcoholic beverages** in the working area as well as to perform work under the influence of alcohol, drugs or any other type of substances that could alter the perception of risk.
- The Exhibitors and contractors are required to wear the necessary **personal protective equipment** (PPE) such as protective helmets, eye protection, and hand protection required by the specific work activity, with special attention to the safety shoes/boots inside the facilities for your own safety.
- The use of cutting machines, welding machines, sanders and a spray gun is strictly forbidden.

Health & Safety

- It is the responsibility of the booth holder to ensure the health, safety and welfare of all employees, contractors and visitors as far as is reasonably practicable throughout the event.
- It is recommended that the booth holders appoint a supervisor for the booth, with the specific responsibility for ensuring the health & safety of their staff and stand builders. It is advisable that a Risk Assessment is completed for the booth and submitted to the organizers.

Children

No person under the age of 18 years can be admitted to the Exhibition, either during build-up, opening days or breakdown. This rule also applies to Exhibitors' children and must be strictly enforced to comply with the safety regulations of the exhibition.

Compressed Gases

Use of compressed gases is not allowed.

Damage to the Building

Screwing, nailing, or the use of paint, glue, adhesive stickers, fixtures of any kind or anything that can damage the structural elements of the building (floor, walls, ceiling, pillars...) are not allowed. In case of damage of the facilities, the cost of repair or replacement will be charged to the exhibitor.

Disposal of Material

It is obligatory to collect and dispose of all material during the build-up or dismantling of the event.

When the dismantling period is over, the exhibitor loses any right to claim losses or damage to property left behind. Any costs incurred by the **VCC** in removing this property will be charged to the exhibitor.

Fire Regulations

- Booth material and fittings must be non-flammable or impregnated with fire-retardant chemicals. (at least DIN4102 B1 or EN13501-1 A2/B/C -s3 d2)
- As a general rule, easily inflammable synthetic substances, foam polyester, and no fireproof straw and reeds are prohibited.
- Storage paint liquids, gas or other inflammable substances in the booth space is forbidden.
- The use/storage of inflammable substances is forbidden (liquids, gas or other). For any doubt for these substances contact the organizers or the **VCC**.

Fire Insurance (compulsory)

Exhibitors must be insured against fire.

Smoke

It is not permitted to operate any machine in the exhibition that emanate fumes, gases or steam, or any item or device that generates or contains flame.

Heavy Weight Element / Large Machinery

In case the exhibitor/stand builder brings large machinery, any kind of heavy weight element or structure inside the exhibition area it is mandatory that the **VCC** will be provided with a detailed project describing the unload procedure inside the exhibition area:

- Exhibition access used
- Transportation used to bring the element inside the **VCC** and weight
- Plan for weight distribution (number of platforms, dimensions, and weight resistance)
- Forklifts, cranes, or any other machinery used for the unloading / uploading of the element. How the element is going to be unloaded and how is going to be brought inside the exhibition area.

Once the **VCC** has the complete information, the unloading of the element will be approved or rejected.

Hanging of Posters, Banners etc.

Hanging of posters, banners or decals, stickers, or similar items, on the walls, floors, ceilings, or pillars within or outside the installations of the **VCC** are not allowed.

Insurance (compulsory)

- Exhibitors are required to take out appropriate Insurance. Third party liability insurance is obligatory. It remains the Exhibitors full responsibility to insure themselves appropriately.
- Neither the organizers nor the **VCC**, their representatives or agents will be held responsible for any loss or damage to exhibitor's property. Exhibitors must take precautions to protect their property against pilferage.

- The organizers do not provide insurance for exhibitors and their property. The exhibitor is responsible for his property and person and for the property and persons of his employees through full and comprehensive insurance and shall hold harmless the organizers for any and all damage claims arising from theft and those perils usually covered by a fire and extended-coverage policy. Therefore, you are obliged to have a **public liability insurance** that covers all injuries to persons and damages that might cover in connection with the exhibition.
- Exhibitors are personally liable for all expenses incurred by the organizers or by third parties in regard to technical services provide.
- We also recommend that you have additional coverage against loss or damage to exhibition material during transport and during exhibition times. Please make arrangements for insurance coverage through your company's insurer.

Liability

- Exhibitors are responsible for all property damage as well as any loss or injury caused by their property, agents or employees. Companies will indemnify the organizers against all claims and expenses arising from any damages.
- If for any reason whatsoever the Exhibition needs to be abandoned, postponed, or altered in any way, either in whole or part, or if the organizers find it necessary to change the dates of the Exhibition, the organizers shall not be liable for any expenditures, damages or loss incurred in connection with the Exhibition.
- The organizers shall further not be liable for any loss which the Exhibition or Exhibition contractors may incur due to the intervention of any authority which prevents or restricts the use of the **VCC** or any part thereof in any manner whatsoever.

Sound equipment and Music

In general, the use of sound equipment/music in booths is permitted as long as the noise level does not disrupt the activities of neighboring exhibitors.

Speakers and other sound devices should be positioned to direct sound inward (to be contained within the booth) rather than outward (toward aisles and other exhibitor booths).

It is difficult to establish decibel level restrictions. If an exhibitor or attendee is standing within ~3 meters of an exhibitor's booth and cannot carry on a normal voice-level conversation, the noise source is too loud.

Further guidelines:

- Live music is not allowed.
- The organizers reserve the right to require the exhibitor to discontinue any activity, noise, or music that is too loud
- The organizers reserve the right to require the exhibitor to discontinue any activity, noise, or music that is deemed objectionable.
- Exhibitors are reminded that third party copyrights should not be infringed. The organizers have no copyright responsibility in respect of any exhibiting company. Proper dispensation must be obtained and any royalties due, paid prior to the use of materials. Should any copyright dispute arise, the organizers will not be liable for any resulting loss or damages, sustained by any exhibitor or third party.

Security

- Please do not leave any bags, boxes, suitcases, or any type of product unattended at any time, whether inside or outside the exhibition area. The organizers and the VCC cannot accept liability for loss of or damage to private property or goods.
- Neither the VCC nor the organizers can accept responsibility for the security of the booths and their contents. The VCC as well as the organizers are not liable for any possible loss, theft and/or damage occurred during the rental period of any goods. Exhibitors are fully responsible for the security of their booth and equipment.
- Please consider hiring extra security for your booth if needed. This can be done via **the VCC** service order form.

Personal Transportation Vehicles

Bikes, skates, electric scooter and any personal transport by wheels are not permitted inside the building.

Promotional Activities

- All demonstrations or instructional activities must be confined to the limits of the Exhibition booth.
- Advertising material and signs may not be distributed or displayed outside the exhibitor's booths.
- Advertising activities must not cause obstructions or disturbances in the gangways or at neighboring booths.
- The Exhibition Manager reserves the right to require the exhibitor to discontinue any activity, noise, or music that is deemed objectionable.

Smoking Policy

The VCC operates a **NO SMOKING** policy in ALL halls.

Special Effects

Special effects lighting, live music, smoke and laser projection may not be used in the booths. No permission will be given for projection in the aisles or on the walls of the hall.

Waste Removal

- Exhibitors are responsible for the removal of all refuse/waste from the exhibition area. The used space must be returned completely clear of all items and restored to its original state.
- In case that exhibitors wish to leave any kind of waste material during set-up/dismantling, they should order a waste container in advance.
- Any discarded waste, including promotional material, left behind will be removed by the VCC and/or the organizers at the expense of the exhibitor concerned.

The VCC reserves the right to access inside the booth in order to check the compliance with the VCC regulations.

At all times you must respect the logistics staff and VCC indications.

Participation by exhibitors is dependent upon compliance with all rules, regulations and conditions stated herein.

IMPORTANT:

Please note that these regulations are in addition to the exhibition Rules and Regulations found in Section 6.

Exhibitors must comply with **VCC** technical guidelines including operation, fire safety, construction and other security regulations.

Exhibitors must also comply with rules and regulations as specified by work health safety laws.

These technical guidelines are contractually binding and are to be followed by the Organizers and exhibitors including the exhibition service and stand construction companies commissioned by them to perform work on site.
